## Nationbuilding Principles

**“No nation can survive the  
nullification of their Pastors”**

Nationbuilding Principle #1

# Spiritual Leadership

- The congregation impacts the world through verbal and living witness
  - The congregation models the following to the world:
    - Christian marriage
    - Family life, child rearing
    - How to behave in the workplace
    - How to function as a citizen
  - The unbeliever understands how to live profitably in the world as a result of observing Gods plan in the lives of believers. This is called morality.
  - The unbeliever is saved, not by morality, but by the verbal witness of the believer regarding Christ.

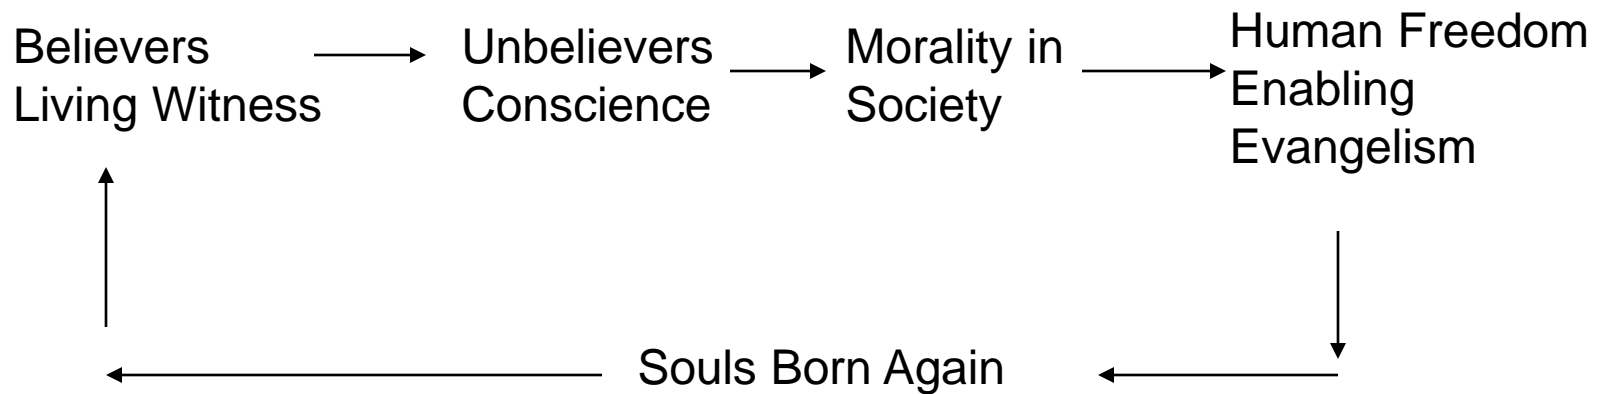

# Two Witnesses

- The church age believer impacts the world through a verbal witness and a living witness
  - Verbal Witness
    - Acts 1:8 But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth.“ NIV
  - A Living Witness
    - Matt 5:14-16 "You are the light of the world. A city on a hill cannot be hidden. 15 Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. 16 In the same way, let your light shine before men, that they may see your good deeds and praise your Father in heaven. NIV

# Two Witnesses

- It is through his living witness that the believer demonstrates the character of God and the character of His kingdom.
  - 1 Peter 2:12 Live such good lives among the pagans that, though they accuse you of doing wrong, they may see your good deeds and glorify God on the day he visits us. NIV
  - The behavior of the believer informs the conscience of the unbeliever through a godly model of living. It is this model which informs the morality of society resulting in the advance of civilization

# How the Church Transforms Society

# Spiritual Leadership

- Therefore God impacts and changes the world through the man of God who is devoted to the spiritual development of the congregation
- There is no other way for unbelievers to perceive right living under the divine institutions of marriage, family and government, except by the witness of the church Matthew 5:13-14
- Therefore we see that actions of the spiritual city impacting the quality of life in the physical city

# Spiritual Leadership

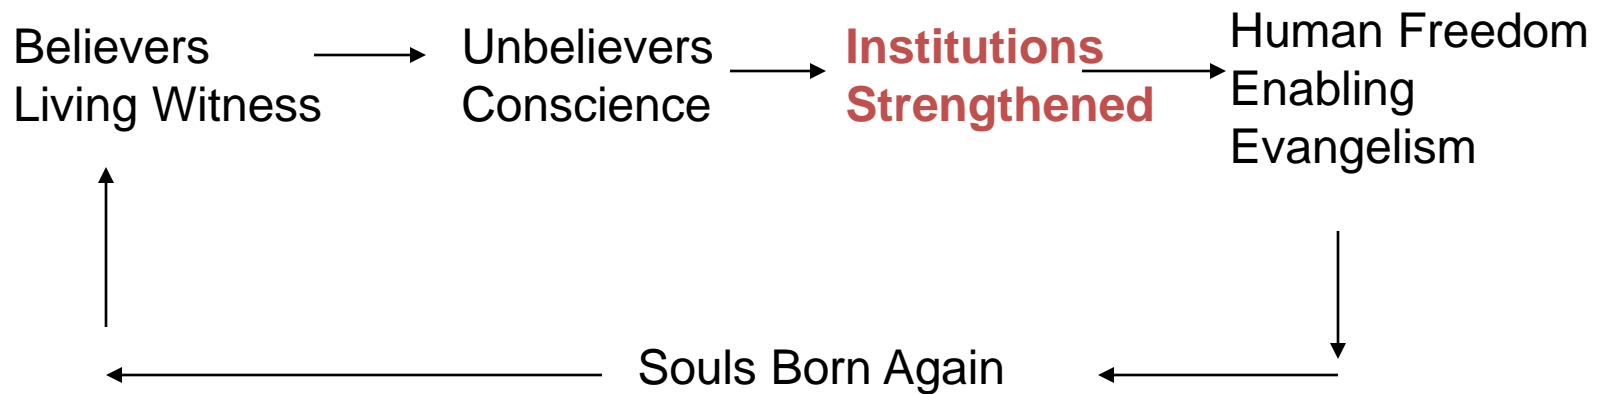

- In order to guarantee the malfunction of any particular group of people or political entity such as a state, it is necessary to destroy the spiritual influence of pastors
- When this is accomplished, congregations of believers retrogress spiritually resulting in a degraded witness to the community and the gradual breakdown of the institutions of marriage, family and government Ezekiel 34:1-5
- No people can survive the decay of these fundamental institutions. Therefore, the outcome of this de-evolution is the destruction of that people and their absorption by another stronger people Proverbs 11.10-11.
